Lilies — 1939-1940

LILIUM ALBUM SPECIAL STRAIN

Delivery—October onward

SEED STORES

Available for Autumn planting (the best time to plant Lilies) as well as for Spring. Better quality bulbs, with roots remaining, thus preserving their vitality, and not subject to decay. Packed in peat moss.

GROWERS

For growers we do not ship until January, allowing several months for cold storage. This strain excels for pot plants producing clean and healthy foliage and vigorous growth.
